## Race Meet Promises to Bring Out Large Crowd

Kapiolani Park Events on June 10 and 12 Attract Visitors From All Islands—Hawaiian Polo and Racing Club Has Worked to Make Big Program Complete Success—Maui and Army Will Meet in Polo Match Saturday

One week from today thousands of racing fans will gather at Kapiolani park for the first day's race meet, which promises to eclipse anything ever before attempted in the racing life in Hawaii. "They're off" will be heard once more, and hundreds are now waiting for the starter's signal.

Interest is increasing in the meeting as the days draw closer to the time when the hankies will speed around the track, and much credit is due the Hawaiian Polo and Racing Association for their activity in handling preliminary details in a thorough manner. Satisfy Visitors.

Every point that has come up during the past month has been handled with an idea of giving the patrons of the sport two days of good racing, and to the visitor who will be in attendance there will be no apologies to offer. Now that the entries are in the racing enthusiasts will have an opportunity to doze, it out in their own sweet way.

Hundreds have journeyed out to the park to watch the morning workouts, and hundreds have settled upon an idea as to which horse will romp home under the wire first. The rail birds have been there, and the man with his head in the bushes has decided that racing is here. The signs prove that the big event is near.

Breeding an Element. Back of the racing the club has an idea in view of good breeding, and recognizing this fact everyone has been willing to put their shoulder to the wheel to make the meeting next week a memorial one. Members of the club have been out each day watching each detail, and workmen have been kept busy putting the finishing touches on the grandstand and bleachers.

All the horses quartered at the track are right in the middle of their preparation, and each morning they are given workouts. One morning one named a certain horse, and the next morning another, and this makes a degree of uncertainty, which always lends interest to the racing game. Schofield interested.

Officers and enlisted men in Schofield have taken a deep interest in the racing game, and a number of entries have been sent in from the post. Mohawk Boy will be popular with the Schofield contingent, and in the Roman race and other events much interest is manifest. Maui, Hawaii and Kailua will be represented, and all sport lovers in the islands will be out at the track on Saturday and Monday.

"Everybody loves a horse race" is a common expression and, according to reports that are going the rounds, Kapiolani park will be the gathering place for all sport lovers on June 10 and 12. Baseball has been closed for these two days in courtesy to the Hawaiian Polo and Racing Club. Games had been scheduled for Saturday and Monday at Athletic park, but the managers of the Oahu and Junior leagues decided that the games would be cancelled and all join together in making the two days meet a complete success.

For the visitors who will come here baseball will be staged on June 11, giving the fans from the other islands an opportunity to watch the diamond stars here.

Polo Match On. On Saturday afternoon at 4:30, following the races, the first polo match of the season will be staged on the new polo field, between the 3rd Infantry, National Guard of Hawaii, and the army team. The 3rd Infantry will have four of the leading players of the islands, and inasmuch as the Maui contingent won two practice matches this season, they are expected to make an excellent showing against the strong army four.

Maui. F. E. Dain will captain the Maui team with Capt. A. W. Collins, Capt. Harold Rice and S. A. Baldwin as the other members of the team. The army aggregation contains Lieut. Charles Haverkamp, Lieut. L. A. Beard, Lieut. John Herr and Lieut. R. E. Hoyle.

Plenty of Sport. With polo and racing, and the latter including many different varieties, the sport lovers of Hawaii will not lack in entertainment during the coming Kamehameha Day celebration. Baseball, polo and racing packed into three days will insure the visitors a round of sport worth coming many miles to see.

The entries for the various races at Kapiolani park are as follows: SATURDAY, JUNE 10. First Race—Half mile: Hawaiian bred; Maidens. Candy Girl, Sky Maiden, Makani, Myrtle, Dick Tilburn, Edwin, Akibono.

KOJI YAMADA'S VISIT BOOSTS BILLIARD GAME AMONG JAPANESE FANS. Koji Yamada left Honolulu today for Japan on the Persia Maru. Before he departed he stated that he would be back again, and announced that next year he expected to have some competition among the Japanese. He has been a big booster for billiards among the Japanese, and states that the game is being boosted in Hawaii.

A billiard table has been installed in the Mochizuki Club at Waikiki since his arrival here, and the players have already staged a handicap tournament. Yamada was the handicapper, and he took a great interest in the tourney, and predicted that in one year some of the players would make an excellent showing if they continued the game. Members of the club will stage another tournament in the near future.

DOMINO TITLE GOES TO JOHNNY MARTIN; WILL NOW MEET ALL COMERS. Johnny Martin retained his title to the domino championship of the islands last night when he defeated Professor John McTaggart of the College of Hawaii by a score of 18 games to 15. The tournament was staged at the McTaggart home on Punchbowl.

The victory by Martin gives him a big lead in the domino world, and as a result of his victory, he has been challenged by John Smith, a visitor in the city, who at one time held the domino championship of Petrograd, Florida. Martin states that he is open to meet all comers at catchweights.

NORMALS WIN FROM CADETS YESTERDAY. By scoring four runs in the fourth inning of yesterday's game with the Honolulu School for Boys, the Normal school team took the lead and, playing steady ball, won out by a score of 7 to 6. Rudolph was the heavy hitter of the day, getting a homer and a double.

Both pitchers were touched up for a number of hits. John K at third base made three errors during the melee. The lineups of the teams were as follows:

Normal—Fredrick, rf, Camara c, Akita ss, Yiego p, Jarden 2b, Rudolph lf, Leo de Roo 1b, Dyson cf, John K 3b, Abel cf. Honolulu School for Boys—Dun I c, Canro p ss, Young 1b, Dun II 2b, Searle II lf, Breckenridge 3b, Searle I rf, Widemann cf, Fredricks p c, Bennett ss.

## RECORDS SHOULD BE LOWERED AT Y. M. C. A. MEET

Galaxy of Swimming Stars Will Compete in Big Meet at 'Y' On Night of June 17

Announcement has just been made that the second members' swimming meet at the Y. M. C. A. tank will be held on the night of June 17th. A heavy program of races is being planned with enough of the variety to make it interesting to the spectators.

The chief interest in this meet will lie in the fact that the local Association has just completed all arrangements to have any records made in the tank recognized as national records and so recorded in the official Spalding's Almanac. Ever since Lane did the 75-yard race in 39.3 seconds when competing in the International Pentathlon, the local Association has been arranging to get all future records recognized.

Records to Stand. Moreover, the Hawaiian tank records are now being put up on the walls of the building surrounding the pool so that everyone can see the best marks made to date and by whom made. As there are yet many races in which no records exist, these will be included in the meet on June 17th. The winner of that night's race will then know that his record will stand at least until lowered by a subsequent meet.

The program of races will include the 20 yards, the 50, 100, 220, 440, the 100-yard back stroke, the plunge for distance with one minute limit, the underwater swim and a relay of four of the fastest 100-yard men.

Should Lower Records. It is interesting to note the national A. L. N. A. records for some of these distances and to hope how many of them will next year be changed for records made in the local tank. In the 50-yard race R. L. Smith of Newark, N. J., holds the record at 25 seconds, and in the 100, Thos. Backe of Brooklyn holds the mark at 1 minute, 2.45 seconds. The plunge for distance is at 43 feet while Dudley Pratt has gone 57 feet in the Y. M. C. A. tank here.

In the 75-yard swim the national A. L. N. A. record is slow, being at 46.15, whereas Lane did the distance in 39.3 seconds in the Pentathlon this year.

Want Duke to Enter. An attempt will be made to induce Duke to swim in these races and establish as fast times as possible before his leaving forever the ranks of

## KAHUMANU CHALLENGES ROYALS IN SWIM EVENT

Sporting Editor, Star-Bulletin: Members of the Kahumanu swimming team would like to stage a swimming meet with the Royal School squad at some future date. We would like to meet them at the Y. M. C. A. tank at any date that is satisfactory to them. We will compete in the 100, 220, 440, 50 yards and relay or any other events on the regular program. KAHUMANU SWIMMING TEAM.

## PALMERS WIN CONTEST FROM PAWAA TOSSERS

John Gouveia was in fine form against the Pawas, and as a result the Palmers won out by 6 to 5. Gouveia had his curves working in good shape and sent a number of the opponents back with strikes. Louis Fraga, who was on the hill for the Pawas, pitched a good brand of ball after the fourth inning.

The lineup of the winners was as follows: Alvin Medeiros, c; John Gouveia, p; Frank Martin, 1b; Charles Teves, 2b; George Perry, 3b; Louis Goeas, ss; James Kelkeo, rf; Paul, cf, and Albert Goeas, lf.

the amateurs. Whether he will care to do this is of course problematical. Besides the races, Instructor Tait has promised a classy diving exhibition and some new novelty stunts to keep the crowd merry and give the swimmers every possible chance for rests between races.

Nearly every fast swimmer in the city now belongs to the Association and will be entered in the meet. Many of the contestants are already practising in the tank. There is talk of dividing the contestants into two teams to add zest to the meet. It is known that the H. A. C.'s, including as they do the best swimmers from among the Punahou students, would be willing to go against the Triple A club which includes the High School boys.

## KAULUWELA AND KALIHIS ANNEX VOLLEY GAMES

VOLLEY BALL—MEN'S LEAGUE.

	W	L
Kalihi	3	0
Kauluwela	3	1
Star-Bulletin	3	2
Kamehameha	1	2
Kakaako	1	3
All-Chinese	0	4

Thursday night in the games hall of the Y. M. C. A. the Kalihi won from the Star-Bulletin and the Kauluwelas won from the Kamehamehas.

The Bulletin and the Kalihi teams played the first game, which was fast, close and well played. The teams were evenly matched, and from the time the first ball was served, the audience was treated to the highest class article of drives and returns yet seen on the local floor.

The Kalihi team won because they had better team work than the Bulletin's, and their three forwards, Barboza, Roberto and Chuney were at their best, while Anahu and Quan Sum did not show the class of game that they are capable of playing. In the first set the score was tied first by the one team and then the other 12 times, and the men of both teams going strong when Chung missed an easy one and the Kalihi boys took advantage and forged ahead winning 21 to 19.

All Kalihi. The second set was all Kalihi after they tied the Bulletin five all in the tenth inning. The Bulletin took the lead at the start, but after tying the score, the Kalihi went to the front and were never headed winning out by the score of 21 to 12.

Charley Barboza played the best game of his life, and the support he gave to his team mates was perfect.

## FORMER MAJOR STAR TO PLAY IN GAME TODAY

Lee Girot, Former Washington Pitcher, Will Play; Double-Header Today and Sunday

Upon their last visit to Honolulu the 25th Infantry baseball team met with a sudden reverse, and, talking of reverses, the St. Louis team believes that what was started last week will be continued. "There's no such animal" was the reply when a fan mentioned that the 25th Infantry team could be downed, when the opponents were playing tip-top ball.

According to all the laws of baseball the 25th Infantry should win a series from the other teams, but each team has enough good ball stored up to win one out of five from the 25th men, and the Honolulu had the game in the well one bright, sunny afternoon, but they refused to take advantage of opportunities and lost out.

Star 25th. Jansen, who will do the pitching for the Saints, believes that what can be done once can be done again, and inasmuch as he has scored a victory over the 25th Infantry he believes that the June day will see another win. On form the 25th look like the leaders in the Sunday battle, but then again that was what the fans thought last Sunday when Ross Kl slipped one over on the jammers.

This afternoon at 3:30 the Chinese team will meet the Honolulu in a battle for the lead. Should the Chinese win and the 25th lose, then these teams would be battling for the first position. Paresa has strengthened his team and has worked hard to get new life, but at present needs more strength.

Girot in Uniform. Whether or not Lee Girot will be on the mound for the Lutes this afternoon is a question. It is hardly thought likely that he will start the game as he has not played for some time. He is a good pitcher and may be used in the outfield. Girot was one of the big stars in the Northwest League, and was sent to the Washington team of the American League.

Tomorrow afternoon the Filipinos will line up against the Chinese with Laceria and Kau on the mound for the two teams. Reyes, the great catcher of the Filipinos, or Batong, will be behind the bat, while Kain will catch for the Chinese. The first game will begin at 1:30 and the second is scheduled for 3:30.

The Remington Arms-Union Metallic Cartridge Company has been incorporated at Dover, Del., to engage in the manufacture and sale of war munitions.

## What healthy Nerves Mean to You

A strong, vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never flustered, weak or hopeless; she is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her double or treble duty.

All men and women who suffer from these forms of nervousness—known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness, will find ready relief and cure in the peculiar properties of
